BLOOM

Agave

Our newest
neighbourhood,
now selling.

Masterplan

The new Bloom has been thoughtfully composed to inspire connection to nature and the many modern amenities and attractions close by. Importantly, its leafy, established neighbourhoods encourage a genuine sense of community amidst a harmonious balance of beautiful homes, green spaces, natural wetlands and enticing shopping, dining and school precincts.

Agave

New release

Agave is a premium park side land release, capturing the diversity and connection that defines the new Bloom. With lot sizes ranging from 294sqm to 754sqm, Agave offers something for growing families, first home buyers and investors alike. Agave is positioned uniquely within our flourishing neighbourhood, with lush expanses of parklands and wetlands right at your doorstep. With an abundance of retail, dining and recreation amenity just moments away, this penultimate stage of the new Bloom features the best that Clyde North has to offer.
